SkyTech Stylus Pen For iPad

SKU: LVLSTSPWH

Table of Contents
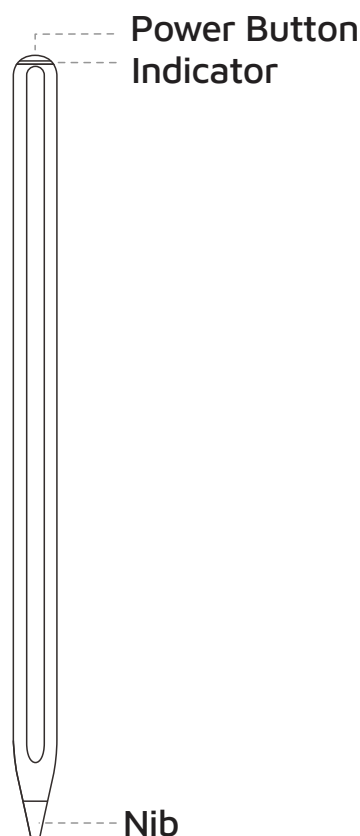

Before installing and using the product, please carefully read this User Manual to guarantee correct usage and keep it secure for future reference.

Features

1. The palm rejection feature prevents unintended marks or commands by focusing on the precise, point-specific touch of the stylus rather than accidental contact.

2. Accurately responds to the angle of your hand for detailed and precise strokes.

3. Includes two additional replacement nibs for extended usability.

4. The pen remains powered and ready for use for up to six months without requiring a recharge or battery replacement when not in active use.

5. The pen can operate continuously for 10 hours on a full charge before it needs to be recharged.

6. Integrates multiple functions into a single interface for a seamless and enhanced operational experience.

	Previous song	
	Next song	
Press and Hold	Turn on/off	

Adjust Pen Responsiveness

Increase Signal Level	If your iPad has a screen protector, it might weaken the signal, making it difficult to write smoothly. Increasing the signal level can resolve this issue.
	If the tip of the stylus is too thick, it may hinder smooth writing. Adjusting the signal level can improve writing smoothness.
Decrease Signal Level	Using a special tip or removing the iPad's screen protector may result in a signal that is too strong for optimal writing. Decreasing the signal level can help correct this problem.

Warranty

Products procured directly from the **Levelo** website or physical store comes with a 24-month warranty. **Levelo** products purchased from any of our authorized dealers are guaranteed with a one-year warranty. If you wish to extend this warranty, you'll need to go to our website at **https://levelobrand.com/warranty** and fill out the necessary form, making sure to include your personal information and a photo of the product. After your request has been evaluated and accepted, we'll send you an email notification to affirm the extension of your product's warranty.
